15 OCT 2026

MEMORANDUM

FOR : THE REGIONAL EXECUTIVE DIRECTOR

THRU : THE OIC, ASSISTANT REGIONAL DIRECTOR FOR TECHNICAL SERVICES

FROM : THE OIC, LICENSES PATENTS AND DEEDS DIVISION

SUBJECT : **REQUEST FOR THE POSTING OF A PUBLIC ADVISORY IN THE DENR-NCR ONLINE PERMIT APPLICATION SYSTEMS**

This pertains to the proposed posting of a Public Advisory in the DENR-NCR Integrated Information Systems (DNIIS), DENR-NCR Centralized Online Permitting System (COPS), and Integrated Centralized Online Permitting System (iCOPS) to inform and guide applicants regarding the operating schedule and availability of the online permitting systems.

Since 2024, these online systems have been accepting applications twenty-four (24) hours a day, seven (7) days a week, thereby providing applicants with continuous access to online transactions. However, the continuous acceptance of applications has resulted in an increasing volume of submissions requiring action by the concerned frontliners, whose staffing levels remain limited due to the fixed number of plantilla positions, and subsequent routing to approving authorities beyond regular working hours. This situation has created challenges in complying with the target approval timelines.

In view thereof, it is proposed that clear guidelines on the operating days and hours of the online permitting systems be established to facilitate the orderly and efficient processing of applications, promote personnel well-being and work-life balance, and provide applicants with clear information on system availability. The proposed advisory (see **Annex**) shall likewise notify applicants of periods when the systems will be unavailable, including weekends, holidays, and work suspensions declared by the Local Government Unit (LGU) concerned or by the Office of the President

Furthermore, government agencies such as the **Philippine Statistics Authority** (PSA), **Department of Foreign Affairs** (DFA) **Bureau of Internal Revenue** (BIR), and **Land Transportation Office** (LTO), implement similar measures to effectively manage the processing of applications and requests while ensuring efficient service delivery.

PUBLIC ADVISORY

Please be informed that **the DENR-NCR Integrated Information Systems (DNIIS) and DENR-NCR Centralized Online Permitting System (COPS) will be OPEN for transactions from Monday to Thursday, 7:00 AM to 7:00 PM.**

The systems will **NOT be available** for transactions every Friday, Saturday, Sunday, and holidays, or upon the announcement of work suspension by the Local Government Unit (LGU) or the Office of the President.

The following permits and services may be processed through the DNIIS and COPS:

Forestry Permit

1. Chainsaw Registration Application
2. Lumber Supply Contract
3. Permit to Purchase Chainsaw
4. Permit to Import Chainsaw
5. Tree Cutting/Pruning/Earth-balling Permit
6. Permit to Sell Chainsaw
7. Certificate of Registration as Lumber Dealer Permit
8. Certificate of Registration as Importer of Wood Permit
9. Export Authority for Wood Materials

Wildlife Permit

1. Wildlife Local Transport Permit
2. Wildlife Import Certification
3. Wildlife Export Certification
4. Wildlife Re-Export Certification
5. Wildlife Special Use Permit (for Animal Exhibit)
6. Wildlife Gratuitous Permit
7. Certificate of Wildlife Registration

Lands Permit

1. Document Authentication (Copy of Patent/Title, Deed of Sale and Transmittal to ROD and other Documents)
2. Certification for Electric Meter Installation
3. Certification for Water Meter Installation
4. Certification for Tax Assessment
5. Certification for Building Permit and Legal Purposes

For the guidance and information of all concerned.

In this connection, may we respectfully request the assistance of the PMD Regional ICT Unit in posting the attached Public Advisory prominently in the appropriate online permit application systems, preferably on the landing page or in another readily accessible section where it can be easily viewed by applicants before proceeding with their transactions.

For your consideration and approval.

ENGR. MARGIE GIANAN-SINGH

Recommending Approval/Disapproval:

AIDA E. ESGUERRA, *RPF*
OIC, Assistant Regional Director for Technical Services

Approved/Disapproved:

NILO B. TAMORIA, *CESO III*
Regional Executive Director
